ORDER:

When rationing was previously in force literate peons were generally employed for work relating to the maintenance of records in the rationing offices, attenders being employed only in a few cases. The Board of Revenue (Civil Supplies) has since reported that the employment of attenders in rationing offices is necessary as the strength of peons has generally been reduced and as a sufficient number of literate peons are not available for the work. It has accordingly submitted proposals for sanctioning the employment of 84 attenders in the various circle rationing offices as specified in the annexure to this order. In the circumstances reported, His Excellency the Governor of Madras accepts the proposals of the Board of Revenue (Civil Supplies) and sanctions the employment from the date of appointment to 30-6-49 or till the necessity for employment ceases whichever is earlier, of the number of attenders specified in column (3) of the annexure to this order on Rs.24-35 per mensem each for work connected with the maintenance of records in the rationing offices detailed in column (2) of the said annexure.

2. The expenditure should be debited to "63 Extraordinary charges a. Charges in India - D. Establishment for Price Control - 1- Board of Revenue (Civil Supplies) - 2. Pay of Establishment of.".
